\$10,500,000
Capital Improvement Revenue Bond, Series of 2018
Arbitrage Regulations Compliance Report for the period October 10, 2023 to October 10, 2024

Dear One Daytona Community Development District Board of Supervisors

This Arbitrage Regulations Compliance Report is being delivered to you pursuant to our engagement to review One Daytona Community Development District (the "District"), \$10,500,000 Capital Improvement Revenue Bond, Series of 2018 (the "Series 2018 Bond") for compliance with the arbitrage requirements of Internal Revenue Code Sections 103 and 141 through 150 of 1986, as amended, and the regulations promulgated thereunder (the "Code") for the period October 10, 2023 to October 10, 2024 (the "Review Period").

The scope of our engagement was limited to reviewing the Series 2018 Bond for compliance with the Code, based upon the following information from the referenced sources:

Tax Certificate As To Arbitrage And The Provisions Of Sections 141-150 Of The Internal Revenue Code of 1986, As Amended (the "Tax Certificate")

Source: PFM Group Consulting, LLC

In accordance with the terms of our engagement, we did not audit the aforementioned information, and we express no opinion as to the completeness or the accuracy of such information for purposes of preparing this Arbitrage Regulations Compliance Report.

Purpose of the 2018 Bond

According to the Tax Certificate, the Series 2018 Bond was issued for the purposes, among others, of financing the cost of the acquisition of certain public infrastructure improvements in connection with commercial and office facilities and related improvements to be used by the general public, pursuant to the laws of the state of Florida, particularly the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law, for the special benefit of the District Lands or portions thereof (the "Series 2018 Project").

Plan of Finance

The City of Daytona Beach, Florida (the "City") and the District entered into the One Daytona Development Incentive Agreement pursuant to which the City agreed to make certain annual economic incentive grant payments to the District in exchange for the District undertaking certain public infrastructure improvements comprising the Series 2018 Project. Daytona Beach Property Holdings Retail, LLC (the "Developer") completed the Series 2018 Project prior to the issuance of the Series 2018 Bond and conveyed the completed public improvements, plans and easements to the District on October 10, 2018 pursuant to an Acquisition Agreement between the Developer and the District. The Series 2018 Bond was issued by the District to the Developer in consideration for the transfer of the completed improvements to the District.

Factors Entering Into Preparation of Arbitrage Regulations Compliance Report

- a) According to the Tax Certificate, the 2018 Series Bond was issued on October 10, 2018 (the "Series 2018 Bond Issuance Date").
- b) According to the Tax Certificate, no proceeds were realized by the District on the Series 2018 Bond Issuance Date.
- c) According to the Tax Certificate, proceeds of the Series 2018 Bond were deemed to be spent on the Series 2018 Bonds Issuance Date to acquire the Series 2018 Project.
- d) According to the Tax Certificate, proceeds of the Series 2018 Bond will not be used to reimburse the District for the Series 2018 Project costs paid prior to Series 2018 Bond Issuance Date.
- e) According to the Tax Certificate, the Debt Service Account was expected to be used to pay debt service on the Series 2018 Bond, and it was the expectation of the District that investment earnings in the Debt Service Account would be used within thirteen months of their receipt to pay debt service on the Series 2018 Bond.

- f) According to the Tax Certificate, no Debt Service Reserve Fund was established with respect to the Series 2018 Bond.
- g) According to the Tax Certificate, no portion of the proceeds of the Series 2018 Bond will be used as a substitute for other moneys of the District which were otherwise available to pay the Series 2018 Project costs.

Based upon the assumptions referred to in the preceding paragraphs and the related information referred to above, the computations presented in the accompanying Arbitrage Regulations Compliance Report and are presented below:

1. As no proceeds of the Series 2018 Bond were realized on the Series 2018 Bond Issuance Date, no arbitrage earnings were earned on the proceeds of the Series 2018 Bond during the Review Period.
2. As the Debt Service Account was expected to be used to pay debt service on the Series 2018 Bonds and investments therein and interest earnings thereon were expected to be used within thirteen months of their receipt to pay debt service on the 2018 Series Bond, it qualified as a “bona fide debt service fund” as defined in the Code, was not therefore not subject to arbitrage rebate.
3. As no proceeds were realized from the sale of the Series 2018 Bond and no arbitrage earnings were realized on proceeds of the Series 2018 Bond, and because the Debt Service Account qualified as a “bona fide debt service fund”, **no arbitrage liability was incurred on the Series 2018 Bond** during the Review Period.

One Daytona Community Development District

Ratification of Fiscal Year 2025 Auditor Engagement Letter

December 15, 2025

To the Board of Supervisors,
One Daytona Community Development District:

You have requested that we audit the financial statements of the governmental activities and each major fund of the One Daytona Community Development District (the District) as of September 30, 2025, and for the years then ended, and the related notes to the financial statements, which collectively comprise the District's financial statements.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS), and in accordance with Government Auditing Standards, and the provisions of Chapter 10.550, Rules of the State of Florida, Office of the Auditor General, will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Accounting principles generally accepted in the United States of America, (U.S. GAAP) as promulgated by the Governmental Accounting Standards Board (GASB) require that supplementary information, such as management's discussion and analysis (MD&A) or budgetary comparison information, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures, but will not be audited:

1. Management's discussion and analysis
2. Budgetary comparison schedules

Audit of the Financial Statements

We will conduct our audit in accordance with U.S. GAAS and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America, and the provisions of Chapter 10.550, Rules of the State of Florida, Office of the Auditor General.

As part of an audit in accordance with U.S. GAAS and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America, and the provisions of Chapter 10.550, Rules of the State of Florida, Office of the Auditor General, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of controls.

- Obtain an understanding of the system of internal control in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America, and the provisions of Chapter 10.550, Rules of the State of Florida, Office of the Auditor General. Please note that the determination of abuse is subjective and Government Auditing Standards does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

Reporting

We will issue a written report upon completion of our audit of the District's financial statements. Our report will be addressed to the governing body of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditors' report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of Government Auditing Standards, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

We also will issue a written report as required by Chapter 10.550, Rules of the State of Florida, Office of the Auditor General, upon completion of our audit.

We will provide copies of our reports to the District; however, management is responsible for the distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Reporting on Key Audit Matters

Management has not requested that we communicate key audit matters in our auditors' report for this fiscal year.

Significant Risks Identified

We have identified the following preliminary significant risks of material misstatement as part of our audit planning, which are being communicated to comply with auditing standards and do not represent any specific finding and/or concerns related to the audit:

- Override of internal controls by management
- Improper revenue recognition due to fraud
- Improper use of restricted resources

Our final communication of significant risks identified will take place upon completion of our audit.

Management's Responsibilities

Our audit will be conducted on the basis that management acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For identifying and providing report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented;

Additional Examination Engagements

You have requested that we examine the District's compliance for the fiscal years ended September 30, 2025, with the following statutes (collectively, "the Statutes"):

- Section 218.415, Florida Statutes, *Local Government Investment Policies*

We are pleased to confirm our acceptance and our understanding of this direct examination engagement by means of this letter. Our examination will be conducted with the objective of obtaining reasonable assurance by evaluating whether the District complied in all material respects with the Statutes and performing other procedures to obtain sufficient appropriate evidence to express an opinion in a written practitioner's report that conveys the results of our evaluation.

Practitioner Responsibilities

We will conduct our examination in accordance with the attestation standards established by the AICPA. An examination involves performing procedures to obtain attest evidence about whether the District complied with the Statutes, in all material respects. An examination involves performing procedures to obtain evidence about the District's compliance with the Statutes. The nature, timing, and extent of procedures selected depend on the practitioner's judgment, including the assessment of the risks of material misstatement of the underlying subject matter, whether due to fraud or error.

Because of the inherent limitations of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the examination is properly planned and performed in accordance with the attestation standards. However, we will inform you of any material noncompliance with laws or regulations, uncorrected misstatements, fraud, and when relevant to the underlying subject matter or subject matter information, internal control deficiencies that comes to our attention, unless clearly inconsequential.

Management Responsibilities

Our examination will be conducted on the basis that management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

1. For ensuring the District complies with the Statutes;
2. For the design, implementation, and maintenance of internal control to prevent, or detect and correct, misstatement of or noncompliance with the Statutes, due to fraud or error;
3. For selecting the criteria for the evaluation of the District's compliance with the Statutes;
4. Determining that such criteria are suitable, will be available to the intended users, and are appropriate for the purpose of the engagement; and
5. To provide us with:
 - a. Access to all information of which management is aware that is relevant to compliance with the Statutes, such as records, documentation, and other matters and that you are responsible for the accuracy and completeness of that information;
 - b. Additional information that we may request from management for the purpose of the examination; and
 - c. Unrestricted access to persons within the District from whom we determine it necessary to obtain attest evidence.

As part of our examination process, we will request from you written confirmation concerning representations made to us in connection with the examination.

Reporting

We will issue a written report upon completion of our examination of the District's compliance with the Statutes. Our report will be addressed to the governing body. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

Nonattest Services

We will perform the following nonattest services: preparation of financial statements. With respect to any nonattest services we perform, we will not assume management responsibilities on behalf of the District. However, we will provide advice and recommendations to assist management of the District in performing its responsibilities. The District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual (Kwame Jackson) to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) designing, implementing, and maintaining the system of internal control, including the process to monitor the system of internal control.

Our responsibilities and limitations of the engagement are as follows. We will perform the services in accordance with applicable professional standards. This engagement is limited to the services previously outlined. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries. Our firm may advise the District with regard to different matters, but the District must make all decisions with regard to those matters.

Any nonattest services performed by us do not constitute an audit performed in accordance with *Government Auditing Standards*.

We do not host, are not the custodian of, and accept no responsibility for your financial and non-financial data. You acknowledge that you have sole responsibility for the storage and preservation of your financial and non-financial data.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditors' report to the date the financial statements are issued.

Our fees for the audit of the financial statements and related services, including expenses, for each of the fiscal years included in this engagement are as follows:

Year Ending September 30,	Financial Statement Audit Fee
2025	\$9,250

Our ability to provide services in accordance with our estimated fees depends on the quality, timeliness, and accuracy of the District's records, and, for example, the number of general ledger adjustments required as a result of our work. We will also need your personnel to be readily available during the engagement to respond in a timely manner to our requests. Lack of preparation, poor records, general ledger adjustments and/or untimely assistance may result in an increase of our fees.

At the conclusion of our audit engagement, we will communicate to those charged with governance the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

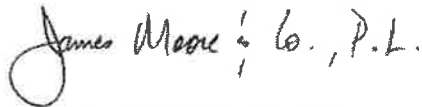

In accordance with the requirements of *Government Auditing Standards*, we have attached a copy of our latest external peer review report of our firm for your consideration and files.
